****END OF FLASHBACK****

Mimi looked back at Matt. He was talking to Sara. Mimi knew Sora had

a giant crush on Matt. She jumped up and ran over to see what they were talking about.

"you were soooooooooo heroic yesterday!" said Sora to Matt. "thanx" muttered Matt as he stared at Mimi. As she got closer he started shaking and his heart was beating.

"I need to talk to you Sora" said Matt.

Sora went off with Tai.

"Hey Matt." said Mimi. "Want to gaze at the stars tonight?" she asked.

"Sure!" Matt said maybe too quickly.

Meanwhileâ€|

"Sora I um really like you." said Tai. "really, I really like you too." said Sora.

"then, meet me on the bridge tonight" Tai said.

That nightâ€|

Izzy and Gomamon were keeping watch. They accidently fell asleep. Sora crept by them and ran to the bridge where Tai was already sitting looking at the river.

Sora sat down beside him and he looked at her and smiled. Then he looked back at the river. They sat like that a short while then Sora's hand slipped into Tai's. He squeezed her hand and looked back at the river.

In a short while Sora leaned in and gave him a long passionate kiss on the lips. She finally likes me he thought.

Meanwhileâ€|

Matt and Mimi were gazing at the stars in a small meadow by the bridge. They stared into each other's eyes and they both know they were in love. Matt leaned in and gave her a very long passionate kiss on her lips. She kissed him back and they started gasping for breath.

Meanwhileâ€|

Izzy woke up seeing that 4 people were missing. He woke up Gomamon. "4 people are missing!" he told him. " that's o.k. I saw Sora and Tai leave a little while ago and I saw Matt and Mimi leave together a few hours ago." said Gomamon.

Suddenly Piedmon attacked. Will they ever defeat him?
